A MERS Electronic Tracking Agreement (“ETA”) should be completely executed with the member institution, Federal Home Loan Bank of New York (“FHLBNY”), and MERS.

Steps Remaining to Complete this Process

1. Loans are Registered in MERS:

Loans registered in the Mortgage Electronic Registration Systems (“MERS”) are assigned with a MIN Number (18 digit #).

2. Loans are Associated to the FHLBNY:

For loans pledged, loans will need to be associated to the FHLBNY (as Associate Member HLB/FRB) at MERS using our Org ID which is **1002493**. MERS Helpdesk (at 1-888-680-6377) will need to assist you with this task. You can either enter each loan one at a time or provide a file for a MERS 103 Bulk Update.

3. For Members in Possession Category:

Provide FHLBNY with MERS MIN Summary and MERS Milestones Reports for each loan registered with MERS. Include in mortgage file containing legal documents.

4. Add the MIN# to the Monthly Data Listing:

We will need the assigned MERS Identification Number MIN # populated for each loan at position 1784 for 18 characters in your monthly Mortgage Data Format File Submission to FHLBNY.
