

Instructions for Establishing an Accommodations Account

When members of the Federal Home Loan Bank of New York (“FHLBNY”) require third party assets to be held or for securities to be pledged from a third party entity, an accommodations account will be established. The following steps will assist your institution on how to complete this request.

1. If the third party entity will also pledge securities to the FHLBNY, a **Subsidiary/Affiliate Collateral Pledge and Security Agreement** must be executed. For accounts that require securities pledging, please see [Instructions for Pledging Collateral from a Third Party Subsidiary or Affiliate](#). If there will be no pledging of securities as collateral, please continue to step #2.
2. To setup the securities custody accounts, The FHLBNY will require **three original and fully executed Securities Account Control Agreements (“SACA”)**. All three original documents may be sent using the mailing address on page 2.
3. A **letter requesting the setup of an accommodations account** will need to be completed and sent to the FHLBNY. This letter needs to be completed on the **member’s letterhead**. Instructions for sending his letter is on page 2. Please also note any follow-up steps needed below for any updates to **account authorizations** using [Global Authorization Forms \(“GAF”\)](#). A link to this form is also on page 2.
