

1LINK®: OUR SECURE INTERNET BANKING SYSTEM

Our 1Link® platform utilizes advanced technology and security procedures to create a safe banking environment for members to access their information and conveniently perform everyday transactions online, like transferring funds, and initiating advances.

Information Reporting Features:

- Access many daily and periodic stock reports at your convenience
- Prior and Current Day Reporting – Review, download, or print reports reflecting account balances and transaction details
- Utilize BAI2 and BTR3 reports to closely monitor your company's cash position and easily transfer your daily balance and transaction details into your own cash management systems
- Customize reports to meet your needs; e.g., list transactions over a specified amount to facilitate daily cash management
- Report Delivery Information — Schedule automatic delivery of information to yourself and others in your institution via email, such as:
 - Prior and Current Day Reports
 - Customized Reports
 - Special Reports
 - Payment Reports

Funds Transfer Features:

- Ability to easily view and act on wire transfers pending approval
- Process book wires to internal FHLBNY accounts
- Use of templates for repetitive payments
- Use of stored third-party information for payments and templates

Note: Our 1Link Wire Transfer window closes everyday at 4:00 pm.

Advances Features:

- Short-term, forward-starting advances are available for the advance types listed below (except Overnight)
- See your entire Outstanding Advances Portfolio
- Request real-time rate indications on advance products where applicable
