DISASTER RELIEF FUND

In an effort to support the communities we serve, the Federal Home Loan Bank of New York (FHLBNY) has extended \$1 billion in Disaster Relief Funding (DRF) to cover communities affected by the recent earthquakes in Puerto Rico, past Hurricanes Irma and Maria in the Caribbean and Hurricane Ida. Natural disasters have destroyed physical infrastructure and, in these cases, the FHLBNY is here to support our members and aid in relief efforts. Funds are available to members to assist rebuilding and economic recovery efforts across in-district communities located in FEMA-designated disaster areas. The funds are being made available by the FHLBNY through its CLP for both immediate gap financing and long-term funding to rebuild communities and support small businesses affected by the disasters.

ELIGIBLE ACTIVITY

- Eligible member lending activity originated after the disaster declaration and within 90 days of receiving funding may be submitted as DRF support for advances related to financing of housing or economic development activities in communities located in a FEMA-designated disaster area.
 - Housing support activities include the purchase, construction, rehabilitation or refinancing of, or predevelopment financing for individual owner-occupied housing units, projects involving multiple units of owner-occupied housing, rental housing, or manufactured housing parks, as defined in the [CICA Regulation](#).
 - Economic development activities include commercial, industrial, manufacturing, social service, public or private facility and infrastructure activities, such as roads, utilities, and sewers.
 - Economic recovery efforts include immediate and long-term small business relief measures. DRF will support members in liquidity needs, shoring up balance sheets, and allowing them to offer continuous credit facilities.
- Eligibility for housing projects is based on existing [CIP eligibility criteria](#).
- Commercial and/or Mixed-Use eligibility is based on location criteria (FEMA-designated disaster area).

MEMBER LIMITS

- A member's Maximum Borrowing Capacity is \$50 million per member annually.
- A member can obtain a commitment for both DRF and non-DRF CLP in the same time period.

ADVANCE TERMS

- The minimum advance term is 30 days.
- All FHLBNY credit, collateral and capital stock requirements apply.

To apply for DRF, members must submit a fully completed application via the CLP System. MS Excel-based applications received via email will no longer be accepted.

- The average turn time to review and process submitted applications is 3 – 5 business days.
- The MS Excel-based CLP Application is available for use only with the upload function within the CLP System.

DRF will be available until the funds are exhausted or until December 31, 2023, whichever occurs first.
