

0% DEVELOPMENT ADVANCE PROGRAM OVERVIEW

The Federal Home Loan Bank of New York (FHLBNY) 0% Development Advance (ZDA) Program provides members with subsidized funding in the form of interest-rate credits to assist in originating fixed-rate loans or purchasing loans/investments that meet one of the eligibility criteria under the Business Development Advance, Climate Development Advance, Infrastructure Development Advance, Tribal Development Advance, or the new Housing Development Advance. This program is intended to support economic development by incentivizing members to provide below-market-rate loans or invest in qualified initiatives.

Members can apply for interest rate credits up to \$250,000 for any combination of the five advance types under the ZDA Program by submitting the [ZDA Application Form](#). The overall program total available to the membership is \$10 million in interest-rate credits — provided on a first-come, first-served basis, as advances are issued.*
